

If I were in charge of the world...

If I were in charge of the world

I'd cancel slavery

so everyone

would be free

and no one

would be a slave.

If I were in charge of the world

there wouldn't be any robbers and there
would be nice people only.

If I were in charge of the world

I would let people do everything

except bad things

and if caught

they would go to jail until they

wrote 500 times on paper

I am sorry.
